ABOUT US

Wyld Ruse is an indietronica production trio based out of Los Angeles, CA. The trio has over 20 years of industry music experience in production and engineering. Working with talents Kid Cudi, Dr. Dre, Xzibit, and others; including multiple Grammy award winning producers and songwriters. The trio is poised to continue the Electronic explosion for

another 20 years. Having owned 2 recording studios, and being well involved in the music industry, the team has set forth to create a futuristic electro pop band with old school nostalgia. Wyld Ruse connects contemporary house, dance, and guitar with early millennia rock influences.
